HIGH-LEVEL DIALOGUE ON ENERGY
UNITED NATIONS, NEW YORK, SEPTEMBER 2019

JOIN THE MOVEMENT

CATALYZING ACTION TOWARDS SDG7 – BUSINESS

May 12, 9:00-10:30 am EST

Hosted by UN Energy and as part of the preparatory process for the High-level Dialogue on Energy, this deep-dive workshop will explore opportunities for catalyzing action by the private sector in the areas of Energy Access, Energy Transition, and Enabling SDGs through just and inclusive energy transitions towards advancing SDG7 by 2030 and net-zero emissions by 2050. This interactive workshop will include a detailed presentation on the Energy Compacts, followed by a question and answer session to explore the process of creating and registering an Energy Compact towards the High-level Dialogue on Energy in contribution to SDG7 and net-zero emissions.
